AUGUST 6 MEETING AT OWL'S EYE WINERY COME TO OUR MONTHLY MEETING BRING YOUR CAR

The August meeting of the BREMC will be held on Thursday, August 6 starting at 6:30pm. Will have a Make Your Own Sub from Sub Station II. Cost will be \$4.75 per person. Please e-mail Jack Weller that you will be attending to get a rough count. wsweller@aol.com

At our July meeting, we had 30 BREMC members attend the meeting at Owl's Eye Winery on Metcalf Road, Shelby. Tom Greene, president, and Margaret Harry prepared the meal of hamburgers and hot

dogs.

We had eleven different marks represented at the meeting from three different countries.

Can you name the different marks?

This Mercedes Diesel, owned by the Millers was an attention getter. It is preserved and has been lovingly cared for more than forty years.

One action from the July meeting was to arrange for cars to be part of two Independence Day parades.

TRIP TO STOWE A HOT TOPIC

BREMC was part of a special event at the Daniel Stowe Botanical Gardens, Gastonia, on Saturday June 20.

display on a day when the thermometer pushed the upper nineties.

As visitors to the gardens wandered through the garden paths, they were pleased to see the cars on display. Many stopped and spoke with Club members about the story behind the cars, when they restored or sharing that they had owned a similar model when they were in college or it was their first car.

A special Thank You to **Doug and Cindy Carlisle** for coordinating the event. Members who showed their cars included Jerry and Nannette Bumgaugh, Jeff and Joanne Cox, Dennis Davis, Skip and Lynn Wise, Bob Childress, Mac Mccuin and Jack Weller.

Based on the reaction of the visitors, we would like to try a similar event in the fall.

Communications is an important part of any organization. The newsletter is published monthly
to encourage and to promote events, **to share** activities and information,
to introduce members to the love of cars,
to involve you in helping others and **to celebrate** our successes.

If you have ideas for articles or want to let us know how you like the newsletter, e-mail **Jack** at wsweller@aol.com
