APRIL 2011 WITH ART ON THE SQUARE

COME TO THE MONTHLY MEETING AT OWL'S EYE WINERY

The August meeting of the **BREMC** will be held on Thursday, August 5 starting at 6:30pm.

There will be a meal at a cost of \$7.00. The menu will be set by **Tom Greene**. You are asked to respond via e-mail to Tom if you are attending the meeting. Thanks to all who respond in a timely manner. It may sound like a little thing, but it is helpful to have an accurate count for the meal.

Please e-mail **Tom Greene** that you will be attending the August meeting. tgreene1@carolina.rr.com

Our meeting will feature a discussion about the **Broad River European Classic Car Show** to be held April 30 as part of **Arts on the Square** and **Foot Hills Merry Go Round Festival**.

BREMC Members display their cars at the 2010 Arts on the Square

Tom Greene has done a significant amount of legwork already working with the **Buffalo Creek Gallery**, **Uptown Shelby Association** and the **City of Shelby** to get permission to be a part of their event and to get the City to close Warren Street from DeKalb to Lafayette for exclusive parking for over 125 classic European cars.

PLANNING BEGINS WILL YOU HELP?

An Executive Committee was formed by **Tom** to help begin the planning for event. **Jack Porter**, **Wilbur Wright**, **Doug Carlisle**, **Don Byrnes**, and **Jack Weller** are on the committee to identify some of the initial steps. Much of the work done in preparation for the fall show will help us in planning our spring event.

If you are interested in helping with this event, please let **Tom Greene** tgreene1@carolina.rr.com and let him know how you will help. We have an opportunity for you on one of the committees.

INDEPENDENCE DAY PARADES

A young "Uncle Sam" awaits the start of the Lattimore parade. Showing their cars were Club members **Dennis Davis** and **Jack Weller**.

The Ellenboro Parade had patriotic members **Wilbur and Lundy Wright** leading the BREMC group. More pictures on page two.

ENJOY YOUR CLASSIC CAR DRIVE IT TO THE MEETING

With temperatures in the high 90's we did not have to many takers on the idea of driving to the meeting.

To answer the question from last month -- what is a Henway?

It is about three pounds with all of its feathers.

Rim shot for effect.

WEB SITE LOOKING FOR PICTURES OF YOUR CAR

Thanks to several Club members who sent "glamour shots" of their cars to **Jack Weller** to put on the Club website. If you have a few shots that you would like to share, the photo does not have to be high resolution. For the website, it is suggested that a lower resolution works as well for this application. Go through your hard drive and find a few pictures to share.
