PRESIDENT'S MESSAGE

BREMC Members & Friends,

Here it is November already. Great weather for driving our cars is all around us. Even though the **TR250** is not back together completely, I hooked up everything, confirmed the new wiring harness is working perfectly, and went out for a spin. Quite a sight to look inside and see gauges hanging everywhere with no dash! If I needed to know about amps, fuel, temp etc. I would just lift up the gauge and read it. The ammeter was the tricky one.....

By now, **Euro Auto Fest** and **Joara** have passed. At this moment I don't know how they turned out. I hope that all members who participated were rewarded. I had a belated acceptance into **Euro**. But while waiting, I committed to another event. Maybe next year. Lynn and I were able to help with the Wine Tour. Many thanks to Ivars and Iverson for taking that on.

Coming up is the Senior Center show and Hog Happenin'. I have heard a lot of interest within the club about attending. It would be nice for BREMC to be strongly represented.

I am running late with getting the nomination process done for next years' officer selection. Please be giving this some thought. Lastly, Charles McCuen has begun preparing for the 2016 Broad River European Classic. That is a lot of work which Charles did very well in 2015. Despite the weather, an ample amount of contributions were collected allowing the club to honor it's commitment to donate to local needs. Please offer Charles all the support he can use. The BREMC Classic effectively kicks off the Euro Show year in our geographic area and could be the benchmark for the season.

Drive 'em!

BREMC OCTOBER MEETING MINUTES

Meeting Date: Thursday, October 1, 2015

24 members present for meeting.

Officers: Jon (Skip) Wise- President
Charles (Mac) McCuen- Vice-President
James Morgan- Treasurer
Renee Bumbaugh- Co- Secretary
JoAnne Cox- Co-Secretary

Welcome: Skip Wise, president.

Prayer: Mac McCune offered the invocation.

Guests for the evening: Carl Duncan, guest of Mac McCuen, owns both an MGB and TR4 (vintage unknown)

Minutes of the September meeting were approved as printed in Club newsletter.

Broad River European Classic Update: We received a financial report from the 2015 Broad River European Classic that showed we had made a profit on our show, even though the weather was not favorable. Following our practice in the past and in support of our Mission Statement to support local charities, two charities were selected to receive support from the Club. After a discussion of different options, it was voted on to make a one thousand dollar donation to the Boys & Girls Club of Cleveland County and to continue to support the David Wilson fundraiser called Rollin' and Rockin'/Pass the Gift with a thousand dollar contribution.

The date for the Broad River European Classic for 2016 will be April 30th. Mac McCuen will be the show chairman this coming year

...

Nominating committee discussion: Mac has asked for a publicity chairperson and some discussion on how to promote our sponsors.

Euro Wine Tour: Volunteers are solicited. It is suggested that desserts be brought by our club members. Ivars Lillenstein has the directions.

Upcoming Events for Club members to consider:
Senior Center on Halloween (Oct. 31st) Advise Bruce Harless if you are planning to attend.
Hog Happenin' at Cleveland County Fairgrounds, Saturday, November 7th

The meeting is adjourned.

Next month's meeting will be Thursday, November 5th at 6:30 p.m. at Deer Brook Country Club.

Respectfully Submitted,
Renee Bumbaugh, Secretary

SENIOR CENTER CAR SHOW A REAL HALLOWEEN TREAT

We had a very good turnout thanks to the work of **Bruce Harless** and **Tracy** and **Steve Davis**.

Bruce kept the e-mails flying about the event and had at least ten cars from the Club. As you arrived,

Tracy and **Steve** (who showed their **MG**) were helping the folks at the **Neal Senior Center**, Shelby, with the show by coordinating the field and parking cars in the different categories.

Club members participating (according to an undisclosed source) were **Randy Dillingham** with his **Porsche 356** and **Lewis Freeman** with his **MGA**, **Cindy Cabiness** brought **Bob's Porsche 911E**, **Skip Wise** had his **TR**, **Jeff and Dawn Dreibus** in their **Baur Edition BMW**, **Alan and Treasure Teague** showed their award winning **Austin-Healy**, **Jerry Bumbaugh** had his red **MGA** on the field and **Bruce** had his **Jaguar E-type** on display and rounding out the field was **Iverson Smith** with his **Mercedes Benz**.

Thanks to **Tracy** and **Steve** for providing pictures for the article.

THANK YOU FOR YOUR HELP

David Wilson and his family -- wife Sharon and their daughters, Katie and Gracie, six years ago

<https://www.facebook.com/PassTheGiftFundraiser/?fref=ts>

I am sitting here having trouble finding words to **adequately** thank you for your support of the *David Wilson Pass the Gift Fundraiser*. The Club's generosity has helped the recipients of your giving retain some degree of normalcy in their lives. This goes not only for the recipient but also the people around them.

It is always moving to hear past recipients, such as last year's recipient Brian Dukes, when they return to the benefit and tell how they were helped through a particularly trying time in their life. Brian was lucky in that his illness lasted only a comparatively short time and he now seems to be fully recovered. Other recipients like this year's recipient, *Danita Hamrick* and *David Wilson* will never recover.

This year's fundraiser was a success thanks to the thoughtfulness and generosity of the *Broad River European Motor Club* and others of the community. I am just always amazed at how the community comes together to support this and other similar events.

Again on behalf of all who were involved in this year's fundraiser, **THANK YOU!**

Iverson Smith

Editor's Note: Iverson is David Wilson's Father-in-law and proud Granddad to two very special young ladies.

THANK YOU FOR MAKING A DIFFERENCE BY HELPING THESE KIDS WHO NEED HELP THE MOST

On behalf of the Board of Directors, staff, and members of the *Boys & Girls Club of Cleveland County*, I want to express my gratitude and appreciation for your investment of one thousand dollars you made in the future of these children.

The kids we serve are special – 81% of the kids are from single parent homes, 76% are participating in the free or reduced lunch program, yet 71% of these kids are on the A/B Honor Roll at their school.

How does this happen? We have two programs that work with children year round. The first is our After School Program which starts with the *Power Hour* – the first hour of each day a child is at the Club, they are working on their homework. Other programs include *Smart Moves* and *Street Smarts*, developed by the *Boys & Girls Club of America*. In the summer the kids enjoy the *Jack & Ruth Schweppe Summer Day Camp* which includes field trips, activities, learning what it is like to live on a farm for a week or outdoor adventures.

The members of *Broad River European Motor Club* have an open invitation to come visit the Club any time. See first hand how your investment is making a difference in the life of a child. Bring your car and share your story.

Again, thank you for your support and helping **GREAT FUTURES START HERE.**
