

## SECOND ANNUAL BROAD RIVER CLASSIC CAR SHOW

See more pictures on page four

### OWL'S EYE TROPHY WINNER

*Owl's Eye Winery* owner **Dr. Frank Hannah** selected the car he would love to drive among the entire field. He selected **Richard Kingston's 1959 Morgan Plus 4 Roadster**. Richard, one of the Charter

members of **BREMC** had driven from Fort Mill to participate in this year's show.

**Dr. Hannah** talked with Richard about his restoration and how **Dr. Hannah** liked the design of the car. "This car represents an era of automobiles that combined design and function to create a great looking vehicle."

### ORIGINAL OIL PAINTING CREATED DURING SHOW

**Rick Workman** won our first **Oil Can Art Award**. He had an **MGB** that had overheated on the way to the show. **Rick** commented he thought the antifreeze would get him points. However, none appeared on his original oil painting.

When each participant arrived for the show, they were given a sheet of cardboard to capture the

original oil painting that was created by their car.

**Martha Moore**, the artist who created our poster, judged the different creations. She looked for creativity, composition, and originality. Congratulations Rick on being our first **Oil Can Art Award winner**.

### MAYOR'S CHOICE AWARD WINNER

**Alan Roebuck**, ( I ) is congratulated by **Stan Anthony**, Mayor of Shelby on winning the **Mayor's Choice Award**.

**Alan Roebuck**, Shelby, NC, is the proud owner of a 1967 **Austin Healey 3000 MKIII**. Mayor Anthony selected the car because of the unique color combination and how well restored it appeared. "I think it would be a wonderful experience to own a car like Alan's."

Alan grew up in Shelby and has had a love for special cars all of his life. **Alan** shared that his family's back yard touched **Dennis Beam's** back yard. **Dennis** would buy some of the most exotic cars I had ever seen. I would look out over my back yard and want to ride in them and learn all about them. If you can imagine the excitement in the neighborhood, when he brought home a **1929 Rolls Royce**, we had to see if we all could fit in the back seat.

**Alan** and his wife **Jan** enjoy the **Healy** as a fun car to drive. His other car is a **Ferrari** which he drives at least once every couple of weeks to Charlotte.

**Dennis** introduced him to **Ferraris** across that back yard.
