FEBRUARY MEETING

Join us Thursday, February 5th at Deer Brook Golf Course and Restaurant off Post Road for our regular monthly meeting. We hope to have pictures from our trip with the Table Rock Sports Car Club and our own trip to York, SC. We will have an update on planning for the Broad River European Classic Car Show.

E-MAIL YOUR DINNER RESERVATION

Please e-mail *Skip Wise*, president, that you will be attending so that he may let the restaurant know how many to prepare for the meal by **TUESDAY NOON**. *Skip's* e-mail address is jwise@carolina.rr.com

SATURDAY DRIVE PLANNED JANUARY 31ST

We will tentatively do a **BREMC** Club drive on Saturday, Jan 31st.

We will meet at the Court Square and depart about 10:30am for a drive to York, SC via #161 for lunch at the *Garden Café*, then home by your route of choice.

There is no "sign-up", just SHOW-up. If it is raining, it's automatically off for that date. The forecast shows it being good weather, so for now we are in GO mode.

THE "OLD CAR DOCTOR" TO BE AT MARCH MEETING

Jeff Dreibus, also known at The Old Car Doctor, has volunteered to do a program on carburetors at the March BREMC monthly meeting. Jeff owns a Bauer edition BMW.

PRESIDENT'S MESSAGE

The month of January was, well..... GREAT! The month started off with our first club meeting of 2015. There were 32 in attendance at *Deer Brook Country Club*. It was a good meal and good opportunity to re-group after the hectic holiday season.

I really appreciate the support I am receiving as President. Many of you have stepped up and volunteered to do things for the club's benefit and I am grateful. Heck, we should all be grateful. And for those of you who do less visible things for the club, thank you too. As I have mentioned before, **BREMC** is all of us.

Early in the month, *Jerry* and *Renee Bumbaugh* threw out an email to the club inviting anyone with interest to join together on a side-road trip to *Parker-Binns Winery*. The day was beautiful, the trip was fun, and the time at the winery was a nice reward.

Later in the month, *Bruce Harless* connected with the *Table Rock Sports Car Club* (*TRSCC*) centered in Morganton. *TRSCC* has monthly drives that are well-planned, communicated, and well attended. That day was also a beautiful respite from the lousy weather we had been having. No doubt, everyone there was ready for a "spirited" drive. WOW. We had a blast. Keep an eye out for more of that!

We have several club members facing some challenging health issues. Please be thinking about and praying for *Jeff Cox, Kent Bridges*, and *Dennis Davis*. Club member. D*nn Miller* passed away on January 19^{th.} Please see the article on page 4 in memory of *Don* and his *Sprite*.

I have another birthday coming up in February. Even though folks have told me that there are powder coating services available in the area, I still have the urge to try it myself. So, Lynn now knows of *Eastwood Company* and their powder coating products. I wonder what could be a problem with baking my work in her kitchen oven? Time to find out.

I am looking forward to the months to come. We will be lining up more events and programs that are an ingredient to a fun club.

Drive 'em. Enjoy 'em. Let the next generation restore 'em. Keep 'em on the road!

Skip Wise, President

TABLE ROCK FUN DRIVE -JANUARY 17, 2015

By Bruce Harless

This was the first of what I hope will be lots of drives with the TRSCC crowd. They do a drive each 2nd Saturday, unless raining. I will try to get info on the Feb drive to you for this upcoming newsletter, and then do follow-up in subsequent emails to the BREMC populace.

The drive last Saturday was attended by something like 70 cars. We had ten cars in the group with Doug & Cindy Carlisle, Mac & Patty McCuen, Skip & Lynn Wise,

Tom Hallman, Christ Thompson, Tommy Greene, Jerry & Renee Bumbaugh, Bill Plowden, Curt & Missy Holland, and Bruce Harless.

Wow, what a run that was, too! We stopped mid-route at a local lakeside park

(Lake james), then on to the Coutryside BBQ in Marion for lunch. After lunch, we took the attached group pictures before leaving.

At the February meeting we can do a slide show with the different drivers sharing pictures. If you were on the trip, send me your photographs at bharless@carolina.rr.com bring your cameras next Saturday and let me download them into a group file at Lily Bea Or meet me at the coffee shop some other time for a cuppa java and a few minutes to download them??

Reminder that the Saturday morning gathering at Lily Bean offers a avenue to rub elbows with each other and throw your ideas in the ring for other activities. As we move into spring, we will start doing more Saturday drives as long as participation happens. We'll plan on a drive to Chesnee SC pretty soon, and welcome ideas for other such drives.

BREMC Member's Memories

Don loved his Sprite. He was always working on it and enjoyed racing his little red car. **Treasure and Alan Teague**

We traveled to several Healy events with Don and it was always fun. When he got his six foot six inch frame out of the Sprite you wondered how he was folded into the car. **Wilbur and Lundy Wright**

He is on starting grid in Heaven ready to race that Sprite. **Chuck Reeves**

The Broad River European Classic Car Show Planning Update

Planning Is in Process

By Skip Wise

The 5th annual Broad River European Classic Car Show planning is well underway. It will be different this year in that we are not designating a "Director" as the single point of contact. The

Classic is built by a group of dedicated club members and that is what it takes. As a default, I have volunteered as that contact if/as needed.

INITIAL PLANNING MEETING – ABLE TO HAVE 150 CARS AT COURT SQUARE

On Wednesday evening January 21, a planning meeting was hosted by *Mac McCuen* in his offices at Wells Fargo Advisors. Mac is in charge of parking and so far has *Bruce Harless* and *Jerry*

Bumbaugh as volunteers to assist. More volunteers are welcome. We will have more room this year now that we are also permitted to use Washington Street from Marion to Warren (in front of the Arts Council). We are allowing for up to 150 cars.

REGRISTRATION OPEN ONLINE

Treasure Teague is preparing the 2015
Registration brochure, getting it out to last year's entrants, and managing pre-registration. Our website now has the convenience of payment via PayPal. I am hoping that BREMC members will be the first entrants on the list! Cindy Cabaniss has worked to get the registration online and connected to our PayPal account.

TRY TO REGISTER ONLINE

Use this link to register for the show.

http://www.broadriveremc.com/BREMC-Landing.html

You have the option of printing the form and sending it in or register on line using PayPal.

DAY OF REGISTRATION NEEDS VOLUNTEERS

Doug and Cindy Carlisle are in charge of Registration on the day of the Classic. A big and important job that I am sure could use more volunteers. (My apologies if I missed anyone who has already volunteered.)

RAFFLE BASKETS NEEDED FOR SHOW

Wilbur and Lundy Wright will, once again, be in charge of the baskets/raffles. I am sure that they will need volunteers to "build" some baskets for the raffle. The more we have, the more fun and funds raised.

BALLOT TABULATOR READY TO GO

Bob Cabaniss has volunteered to count ballots. That doesn't mean **Cindy** won't be in the middle of it, but he could use some help. More to come.

SPONSORS NEEDED

Sponsors are being sought. *Renee Bumbaugh* will pursue folks that the *Bumbaugh's* know as well as most all others in attendance Wednesday. Thank you!

We are in good shape with good people working on the Classic. More help is always appreciated. In fact, if anyone else can pursue a sponsor please let it be known.

SHARE SHOW INFORMATION WITH YOUR CLUB

Lastly, an idea emerged to have club members who are also members of other clubs, to communicate in those gatherings what is being planned for April 25th. The idea centered around having marques owners in our club be that link to the other clubs.

This already happens, for example, with our *Austin Healey* members who are also members of the *Austin Healey Club*. We always have a great turnout of Healeys at the *Broad River European Classic Car Show*. It works. We are looking for members who can do something similar, if not already, for our other European marques.

FROM JAVA TO VINO

By Jerry Bumbaugh

What began as a personal invitation over coffee at the Saturday morning Lily Bean gathering morphed into a spur of the moment open invitation to the club.

Jerry & Renee Bumbaugh were talking to Skip Wise (our exalted leader, the grand pooh bah, and the best president we have had this year) at Lilly Bean and decided to set up a last minute drive for BREMC members. They sent the obligatory email and as they say, the rest is history.

At about 2:15 on Sunday October 26, fifteen BREMC members left from the Aldersgate Church parking lot for a leisurely drive to Parker-Binns Winery. PB is a hidden gem in Polk County, not far from Lake Lure and Tryon and just minutes from the soon to be completed new equestrian center. We took old 74 to Rutherfordton, then 108 to Parker-Binns. Half way to PB we encountered a detour of about 5 miles, but the scenery was beautiful and no one minded the extra time spent on the lovely, winding country roads. The weather was nice enough to go topless and really enjoy our cars.

We were joined at Parker-Binns, by Curt & Missy Holland, Barry & Betty Harms, and George Melanis, the new chairman of Eurofest. After being greeted by Lulu the dog, admiring the llama in the distance and hearing the chickens cluck, we turned our attention to the vino. Some of our crowd tried a wine tasting at the bar overlooking the flower garden, while others ventured outdoors to the covered patio and gathered near the stone pizza ovens. Everyone enjoyed the homemade pizzas made and served gratis on Sunday afternoons.

The proprietors (and winemakers) really make PB what it is- the always hospitable Karen and Bob. They were featured this month on the cover of "Mountain Xpress" magazine which is distributed all over western North Carolina. A three page article about their vineyard appears inside. If you look closely at the photos accompanying the article you might see some familiar faces lifting a glass. Were it not for Cindy Cabiness posting the article on Facebook, they might have missed their brush with fame!

We gathered the crowd for a "Kodak moment" (Boy, are we showing our age here...) before heading off into the sunset and back to reality. It seems safe to say a good time was had by all. If any of you would like to create an off the cuff event, feel free to pick a destination, send an email to rally the troops and we will be off again to eat, drink and be merry.
