PRESIDENT'S MESSAGE

Dear BREMC Members and Friends,

As we celebrate Thanksgiving, we have a chance to stop and reflect on our many blessings over the year. We are blessed to have a unique collection of cars and friends who drive and enjoy their cars all year long.

November 9th was just such a day as we went off on our Fall Fun Drive. I was not expecting to be the lead car, but Curt's work schedule prevented him from showing us the way up and down the mountains from here to Saluda and then to Parker-Binns Winery. The ride down the mountain is well worth the trip. Dawn Dreibus videoed the descent and posted it on our FB page.

The website is live. Mike and Wayne, the two webmasters are working together to coordinate the transfer of information from the old to the new site.

With the Holiday Season upon us there is much to do with family and friends. I am looking forward to seeing you all Thursday, December 5th at the Cleveland Country Club.

To you and yours, best wishes for a Merry Christmas and a Happy New Year.

Missy

For unto you is born this day in the City of David a Savior, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger.' And suddenly there was with the angel a multitude of the heavenly host, praising God, and saying, 'Glory to God in the highest, and on earth peace, good will toward men.'"

After a brief pause, Linus walks back to his friend and softly says,

"That's what Christmas is all about, Charlie Brown,"

Minutes of Broad River European Motor Club November 7th, 2019 Meeting

27 members and guests in attendance.

Missy Holland, President called the meeting to order, which was held at Mi Pueblitos Mexican Restaurant.

Cindy Cabaniss (subbing for Cindy Carlisle as secretary) stated last month's minutes were published in the newsletter. Missy asked if any addendums or changes. No noted. Minutes were approved unanimously.

Treasurer's Report given by Cindy Cabaniss (subbing for Cindy Carlisle as treasurer) reported \$2675.30 as our balance.

Website Update: Mike Tucker is our new Webmaster and has loaded our old website onto a new platform. Wayne Mercier, our former Webmaster, sent Mike a link with some of the old data. The web address is exactly the same www.broadriveremc.com and looks very similar to our old webpage. Mike has been working very diligently getting site up and running, so go take a look! He is using Host Gator which is \$85/2 years, so our GoDaddy account will go away in a couple of months. This new platform will be much easier in the event someone else needs to take over as Webmaster.

Doug Carlisle has agreed to be the liaison with Mike. That being said, questions, info for website etc., Doug is our point person, so please contact him. Of course, Jack Weller will continue to send Mike the newsletters monthly.

Our group is now on 3 different media. We have a Facebook page, information is emailed to us, and now our website is back up and running. This allows for individuals to choose how they prefer to follow us. Doug said the website is very beneficial for non-members to learn more about our Club. Cindy commented how our FB page goes far and wide with many out of state people following us. Remember to Post your pictures to Facebook.

Doug to contact our Wayne to see if more of the older data can be loaded.

Please go check out the website. It is live, but please remember it is still a work in progress! www.broadriveremc.com

Thanks again to Jack Weller for continuing to put together a great newsletter every month. Please, everyone, remember to contribute. It's hard to come up with information. Got an interesting photo or article? Send it to Jack!

Jack Weller stated he would submit the application for Shelby Christmas parade, which is on the 3rd Sunday in December.... December 15th this year. Will be needing red and green cars, but other colors will also be accepted.

Curt Holland talked about our Fall Drive this Saturday, November 9th. A show of hands of who planned to attend. Meet at Aldersgate at 10:30 am, then drive up thru Tryon to Saluda with lunch the Purple Onion. He has already called with a headcount of 20. After lunch, a drive down the mountain, stopping at Parker-Binns for a nice glass of wine/sangria. Please let Curt know if you plan on participating.

Jim Morgan, absent, but had given Missy an update that he is in process of obtaining permits from the City for upcoming Car Show in the spring. He has asked for more room, but unsure because that would place cars in front of private residences. The location will be in front of Don Gibson Theatre again this year. Bob Cabaniss stated it would be some time next summer for completion of roads around court square.

Missy asked for a possible venue for December meeting. None made. She said she would ask Jim Morgan to see if we could go to Country Club for December only. If not will consider other options. Motion made by Cindy Cabaniss and seconded by Doug Carlisle for this venue.

Guests tonight - Steve and Lynn Nordt from Flat Rock. Also welcomed Alan and Janet Roebuck, who were previous members and plan to rejoin. Mary Long made motion to adjourn.

Respectfully submitted, Cindy Cabaniss, subbing for Cindy Carlisle, Secretary/Treasurer

FALL FUN DRIVE

The BREMC Fall Fun Drive was led by Missy Holland as the group traveled from Shelby to Saluda for lunch at the Purple Onion. The group was met by Richard and Lynn Coombs and enjoyed reconnecting

with members. As Missy put it in her post on Facebook, the real fun came when the group started down the road. There were a few times you felt like you could see the back and front of your car on the switchbacks at the same time.

Enjoying lunch at the Purple Onion in Saluda.

Mark Your Calendar for Sunday, December 15th Parade forms on Lafayette Street -- location and unit number will be shared by e-mail with the parade starting at 3:00pm

Go to Facebook and indicate that you will be part of the event. Decorate your car and enjoy the parade.

One of Santa's elves (Miles Gragg) discusses parade strategies with Snoopy.

You may distribute candy if you have

someone walking along the route giving out your treats.

The Challenge every year – do we have enough different color cars other than red.

NEW YEAR'S DAY FUN DRIVE KEEP YOUR CAR READY TO GO

After the Shelby Christmas Parade, Curt Holland

suggests you make sure your car is ready for our Annual New Year's Day Drive.

You may want

to put your convertible top up, may be put some more anti freeze in the radiator, or an extra blanket if your heater does not work, and get a printed copy of the directions for the drive since your cell phone GPS won't get a signal going around the mountains.
