PRESIDENT'S MESSAGE

Dear BREMC Members and Friends,

The sun finally came out for a couple of days. I hope everyone was able to get their cars washed.

Curt and I have been in Florida, so we brought the sun back with us. I think we should have gone to Florida sooner.

While there, we went to a muscle car museum and saw lots of corvettes. The first 2 years (1953 & 1954)

reminded me of

European cars with three side-draft carburetors and side curtains.

Jim Morgan has been working on the Broad River European Classic Car Show. He shared, "We've just about finished lining up sponsors. The Don Gibson Theatre is going to allow us to restrooms, electrical outlets. If you have not signed up to help with set-up, registration, raffle ticket sales, parking or take down and clean up – please do so. Thanks for everyone's help."

The February meeting was at Angels in Bessemer City. We were trying something new. There were 32 people there by my count and they voted to meet there again in March.

This month we will need to select our location for the next month meeting. (Winery?)

Looking forward to seeing you all Thursday! And hearing all the details for the upcoming Classic.

Missy
