PRESIDENT'S MESSAGE

Dear BREMC Members and Friends,

Spring is getting closer, and so is the Broad River European Classic. I am very excited about the show this year. We have room for more cars, and I hope we fill up the Show field.

Photo: Brian Muneycut

The *Gathering* at Shelton Winery is coming up and I hope our British car members will be taking their cars. Curt and I hope to show the Spitfire and maybe the MG/BGT also. It is always a great day and the wine is good too.

Website update: Doug, Jack, and Mike (webmaster) have continued work on the new website. Please have a look and let them know what you think.

The site is up for car show registration, so if you have not registered, please do so.

I am looking forward to hearing from Jim about the Classic. If you have not let him know how you plan to help, please give him a call or talk to him at the meeting. The March meeting will be at Mi Pueblito. Looking to seeing you all next week!

Missy

MEET OUR NEW WEBMASTER

We would like you to meet **Dr. Mike Tucker**, our new webmaster for www.broadriveremc.org. He is quite an interesting fellow. He came to help our Club through his friendship with Curt and Missy and the Hit & Miss Engine group that they both are members of for over 20 years. Mike and his wife **Susan** live in Woodford County, Kentucky.

Mike shared a little about himself and his and Susan's love for British cars. She has a '64 TR4.

Mike is a retired researcher from the University of Kentucky. He received his undergraduate degree from Texas A&M, and his doctorate is in biochemistry from University of Texas Southwestern Medical Center at Dallas.

The majority of his time at the University of Kentucky was at Sanders-Brown Center on Aging researching Alzheimer's Disease.

Mike shared, "We have lived here in rural Woodford County since 1994 in a log cabin (built-in 2007-8) that we did a lot of the work on ourselves."

As we work together to make our website a place to find information, learn about the history of BREMC, or come up with new ways to communicate with Club members and potential members, Mike is excited to be part our organization.
