SHINE AND SHOW YOUR CAR AT PICNIC

Bob Cabaniss suggested at our June meeting that we promote the idea of making the picnic a Shine and Show impromptu Car Show. Drive your classic to Baker Buffalo Creek

Winery. Get a picture if your car in front of the barn that is seen in every Hillshire Farms commercial. Any prediction about how many different marques will be at the "Show"?

PRESIDENT'S MESSAGE

Dear BREMC Members and Friends,

Summer is here, and its definitely top-down driving weather. The Club had a great drive to the Trail of Faith in June.

We had 17 people including some from other clubs. It was hot, but there was a constant breeze and a nice shady spot for the picnic lunch. Some of us even stopped by Myra's on the way out of town to have ice cream.

I have together a nominating committee for finding officers for next year. Please let them know if you would like to run for an office. Curt is planning on organizing a Fall Fun Drive for November 14th and the New Year's Day Drive, January 1st, 2021.

We are meeting at Baker Buffalo Creek Winery on July 9th. The meal will be from Alston Bridges BBQ, and the ladies are asked to bring dessert. Drive your sports car with the top down if the weather permits.

Have a great 4th of July and see you all next week!

Missy

Minutes of Broad River European Motor Club June 4th, 2020 Meeting

The Broad River European Motor Club met at Bob Cabaniss's Hanger at the Shelby City Airport in Shelby on Thursday, June 4th, at 6:30 pm. The meeting was brought to order by President Missy Holland. There were twelve members present.

The June Meeting Minutes were approved as they appeared in the Club Newsletter.

Interim Officers Selected:

Missy reported that Cindy Carlisle had resigned as Secretary/Treasurer.

John Long has volunteered to serve as Treasurer for the remainder of the year.

Jack Weller will serve as Secretary for the remainder of the year.

Bob Cabaniss made a motion that the volunteers fill these two offices for the remainder of the year. Alan Robuck seconded it. Motion carried.

Next Meeting Location, Day, and Time:

We will not have a meeting on July 2nd. Our July meeting will be at Baker Buffalo Creek Winery on the Fallston-Waco Road on Thursday, July 9th. BBQ from Alston Bridges BBQ will be the meal. The menu will include Pork BBQ, baked beans, coleslaw, chips, rolls, and ice tea. The Club will provide the meal, and Club members are asked to bring a dessert to share.

Shine and Show Car Show at the Picnic:

Bob Cabaniss suggested that we invite all of the participants who registered for the April Car Show to come to the Winery and we have a Shine and Show Car Show – no prizes, just time to share about your car and connect with friends.

Treasure Teague agreed to send an email to all pre-registered participants to invite them to the July Picnic. There is no cost for the meal. Jack Weller will contact Ann and Charles Edwards at Baker Buffalo to confirm the details.

Spring Fun Drive Saturday, June 6th to Valdese NC:

Curt Holland encouraged folks to take part in the trip back to Valdese on Saturday, June 6th. We would return to the Trail of Faith Park for our Fun Drive. It would include a picnic lunch brought by each participant group. Curt extended an invitation to the Table Rock Sports Car Club and the Catawba Valley British Sports Car Club to join on for the trip. We will meet at Deer Brook Golf Course at about 9:30 and head to Valdese at 10 am.

New Business:

A motion was passed that John Long be added to the signature card of our bank account so that he may sign checks. Skip Wise made the motion, seconded by Bob Cabaniss and the motion was approved.

Nominating Committee Formed:

Missy asked for volunteers for the Nominating Committee. Jack Weller, Skip Wise, and Bob Cabaniss volunteered to serve on the committee and will present a slate of officers at the October meeting.

Meeting adjourned.

Respectfully Submitted,

Jack Weller, Interim Secretary and note taker.

BROAD RIVER EUROPEAN MOTOR CLUB SPRING FUN DRIVE REPORT

BY CURT HOLLAND

Our Spring Fun Drive was delayed this year due to COVID, but finally, we were able to get out and enjoy a little driving. BREMC attendance was a bit lackluster, so Table Rock and Catawba Valley Clubs were invited to join us. I didn't think of this until a few days ago, but even with the late invite, we had 17 participants on our drive.

We departed Deerbrook at 10:00 and drove north on NC 18 and then onto Mineral Springs Mountain Road for some curvy fun.

At the Trail of Faith, we toured the 15 station historical attractions, while listening to audio recordings explaining each station. It's a fascinating history of the Waldensians as they forced out of their native Italy because of their religious beliefs and then their subsequent relocation to Valdese, NC. Visit their website for more information <https://www.waldensiantrailoffaith.org/>

After our tour, we found some lovely shade and enjoyed a picnic lunch together. Katrina & Randy, BY FAR, had the most coordinated picnic lunch setup, complete with Flamingo pink pillows, a great looking meal, and for dessert, Christmas crack, which everyone enjoyed! Treasure's cookies were awesome too!

Jim Jacumin ran Big Waldo, a hit or miss engine that Curt had restored. The Waldensians were stonemasons and ran a sawmill when they relocated to North Carolina in Valdes.

The last picture is Senator Jacumin explaining that these slats of wood are used to create the wooden souvenir that we received at the start of the tour.

After enjoying a little more shade time, we drove to Myra's 50's Diner in Valdese and had ice cream.

From there, we each departed on our routes home. All in all, a warm, but enjoyable day of driving, touring, and socializing. For many of us, this was the first real social outing since COVID. Fun was had by all.

Curt Holland

Classic Car Overview

The MGTD was originally purchased by Noble Martin in Panama City, Panama in late March, 1953. It was produced in Abingdon on the Thames, England on January 19th, 1953.
I purchased the car from Mr. Martin in December 1997. he was 95 years old.
The car in original in that all parts are from the original car except for 5 hubcap, 2 bumpers, steering wheel, and windshield wiper motor.
The car is painted MG Red with Red Leather interior, tan top, full tan tonneau cover. I also have a tan car cover.
The cars total mileage is 42996. Mr. Lou May of Shelby, NC restored the car and it took 4 years and 10 months to do the off frame restoration.
I have all the receipts and a computer listing of repairs to the car. I also have a photo history of the restoration.
Last December 2019, I put 5 new Michelin tires, a new battery and a battery charger under the dash to keep the battery charged at cost of approximately \$900.00. the car has always been garaged.
