PRESIDENT'S MESSAGE

Dear BREMC Members and Friends,

It is August, the Dog Days of Summer, and growing up, and I always thought it was because it is so hot and humid. In my late teens, I became interested in the constellations and learned that it is due to the brightest star that the Greeks called Canis Majoris – Sirius or the Dog Star.

I have together a nominating committee for finding officers for next year. Please let them know if you would like to run for office. Curt is planning the picnic on September 12 and is organizing a Fall Fun Drive for November 14 and the New Year's Day Drive, January 1, 2021.

We met at Baker Buffalo Creek Winery on July 9. Alston Bridges BBQ provided the food, and the ladies did a great job on the dessert. And everyone managed to eat all my deviled eggs. A special Thank You to Ann and Charles for hosting our picnic again this year.

The next meeting will be at Bob's hanger. Drive your sports car with the top down if the weather permits.

Looking forward to seeing everyone on Thursday.

Missy

Classic Car Overview

The MGTD was originally purchased by Noble Martin in Panama City, Panama in late March, 1953. It was produced in Abingdon on the Thames, England on January 19th, 1953.
I purchased the car from Mr. Martin in December 1997, he was 95 years old.
The car in original in that all parts are from the original car except for 5 hubcap, 2 bumpers, steering wheel, and windshield wiper motor.
The car is painted MG Red with Red Leather interior, tan top, full tan tonneau cover. I also have a tan car cover.
The cars total mileage is 42996. Mr. Lou May of Shelby, NC restored the car and it took 4 years and 10 months to do the off frame restoration.
I have all the receipts and a computer listing of repairs to the car. I also have a photo history of the restoration.
Last December 2019, I put 5 new Michelin tires, a new battery and a battery charger under the dash to keep the battery charged at cost of approximately \$900.00. the car has always been garaged.
