WHERE MAY WE MEET?

In golf you normally get a Mulligan if you hit a bad shot, another chance to make a good shot. After three Mulligans, we decided to try somewhere else to meet. This month we return to our COVID Cavern, Bob's Hanger at the Shelby City Airport.

If you have a suggestion of a restaurant that could manage 20 to 30 people at one time, send Bob a note.

OUR PRESIDENT'S MESSAGE

From the desk – actually iPad, of the old guy.

A note from the Old Guy. Our April 7 meeting will in the Old Guy's hanger at

the Shelby City Airport. Enter using the road to the left and the Gate code is 1228. At this meeting, you will need to bring your own dinner, chair, and drink -- nonalcoholic, as the city gets all tense about that stuff.

We will discuss the final plans for the Classic, as well as food. Ladies, please remember to bring some sort of dessert for the Classic's meal. As of now we only have twenty or so registered. No doubt that number will increase as we get closer to the date. I urge everyone to register and ask your car friends to also register as it will help with food plans.

Curt is making progress with Missy's car, and the interior has arrived and is being installed, .slowly and painfully, in Kent's Porsche. I am certainly not an upholsterer! I will not mess it up too badly!

Please RSVP by Tuesday noon to Cindy at either clcabaniss@yahoo.com OR Text at 704-692-7870 so I have a better idea of a head count.

Many of you are members of other Car Clubs. We would like you to share our newsletter with them to have the registration form for our show April 30.

Or you could share the link to our website, and they could register online at www.broadriverEMC.com

There are less than thirty-four days until our show – register online today.

Bob

Travel about .8 of a mile and you will see a road sign for Twin Chimney Road – turn left onto the Road and travel all the way to the end of the road. You will arrive at registration for the show just after the gate.
